MC- HARD FLOOR

Dry Shake Surface Hardener

Description:

MC-HARD FLOOR surface hardener is a ready to use natural aggregate product which provides up twice the wear resistance of the best plain concrete. The specially selected , size graded , hard quartz aggregate in it insures dense surfaces and ease of finishing **MC - HARD FLOOR** surface hardener produces concrete floors and outdoor slabs that are very wear resistance , durable and attractive . It provides a strong surface suitable for light to moderate vehicle traffic or concentrated foot traffic .

Recommended :

MC- HARD FLOOR surface hardener is recommended for :

- ◆ Parking garages , shopping centers , schools, hospitals and similar areas where light to moderate vehicle traffic or concentrated foot traffic are present .
- ◆ In areas where a smooth , easy to clean , dense surface is required .
- ◆ In areas where reduced surface dusting is needed .

Not Recommended :

MC - HARD FLOOR surface hardener is not recommended

- ◆ For use in areas where steel wheeled traffic is anticipated.
- ◆ For use in areas exposed to acids and their salts, or to other materials known to attack or deteriorate Portland cement concrete .

Note : MC - Floor Plate surface hardener is recommended for areas subject to steel wheeled heavy –duty traffic .

Advantages :

MC- HARD FLOOR surface hardener provides:

- ◆ Increased wear and abrasion resistance .
- ◆ Ease of finishing and high density surface .
- ◆ Minimum surface dusting .
- ◆ Resistance to oil and grease penetration.
- ◆ A natural colored concrete.

Rate Of Use :

- ◆ Light duty : 3 kg / m²
- ◆ Moderated duty : 5 kg / m²
- ◆ Heavy duty : 7 kg / m²

Curing :

Cure with water or any membrane curing compounds that are approved by
Master Chemicals Technology

Precautions :

- ◆ Do not cure with salt water, brackish water.
- ◆ This product contains cement, which may cause irritation. Avoid contact with eyes and prolonged contact with skin.

Packaging :

MC -HARDFLOOR surface hardener is packed in 25 kg moisture resistant bags.
